PROPOSED AGENDA
FOR APPLICANT INITIATED TELEPHONIC INTERVIEW
FOR DISCUSSION PURPOSES ONLY

Applicant would like to thank the Examiner for granting a telephonic interview in this case. The interview is scheduled for May 27, 2009 at 10:00 am ET. Applicant's representative will contact the Examiner at 571-272-5536 at the designated time.

Applicant wishes to discuss a possible claim amendment. An example claim amendment is included on the following page for discussion purposes. Claim 23 is amended to better clarify the limitation of performing all steps of the backup process *in a certain sequence*.

Applicant further wishes to discuss the distinction between Applicant's invention and the cited references, namely Maffezzoni and Kawano. The cited references fail to disclose all limitations as required in the proposed amendment. In particular, none of the prior art discloses, express or implied, *the particular sequence* of performing the process of creating a backup copy of data. Furthermore, none of the prior art discloses, "saving the user area to a second storage device, the user area *comprising user accessible contents and the copied contents of the protected area*" as required in claim 23.
